

EC Declaration of Conformity
to
Electromagnetic Compatibility (EMC) Directive 89/336/EEC
as amended by EC Directive 92/31/EEC
(standards route to compliance issued in the UK by Talentum)

Responsibility: Talentum Developments Ltd.
Beal Lane, Shaw,
Oldham,
Lancs.
OL2 8PF
England

Authorised Representative: 
J.A. BROADBENT MIEE
Director

Date of Issue: 24th January 2005

Apparatus Identity: Flame Detectors
FF741, FF742, FF746, FF747, FF751, FF756
Flame Detector Test Unit
FF703

Talentum File Reference: EOF 12. Issue 2 (WORDIEMCATEX16000.DOC)

EMC standards:

Immunity to interference injected into product conforming to
BS EN 61000-6-1:2001, BS EN 61000-6-2:2001 & BS EN 50130-4:1998+A2+A3:2003
Radiated EMS (Electro Magnetic Susceptibility)
Conducted EMS (Electro Magnetic Susceptibility)
ESD (Electro Static Discharge)
EFT (Electrical Fast Transients/burst)
EST (Electrical Surge Transients)

Interference emissions from product conform to
BS EN 61000-6-3:2001, BS EN 61000-6-4:2001 & BS EN 55022
Conducted EMI (Electro Magnetic Interference)
Radiated EMI (Electro Magnetic Interference)

Statement of Conformity:

Talentum certify that it has shown all due diligence in manufacturing this product to conform with the protection requirements of the EMC Directive and therefore the CE Mark can be applied to it.
