Now you can see!

IP-KEY02

KEYBOARD WITH JOYSTICK

Much more than a simple accessory
Provision-ISR IP-KEY-02 keyboard is an excellent addition for control rooms, headquarters or surveillance rooms. It allows you to control numerous Decoders and IP PTZ cameras and to choose the camera layout you want by a press of a button. The operator will be able to easily display up to 144 different channels located on 4 screens connected to the decoder and fully control IP PTZ cameras for quick focus on a specific object on the scene.

MAIN FEATURES

PTZ CAMERAS (IP ONLY)
- Total movement control
- Preset
- Cruise

DECODERS
- Layout control
- Live view
- Playback
- Alarm window
- PTZ control (IP and analogue)
- Sequencing channels

IP-KEY02

SPECIFICATIONS
