

## Datasheet

### PROXIMIY READERS/ GALEO-W - Keypad

#### Product description

The GALEO is a stylish and innovative keypad, combining good looks with a high level of ruggedness and vandal resistance.

The GALEO is ideally suited for both, external or internal use. Clever innovation has resulted in a keypad that can cope with the harshest of environments. With the benefit of soft blue back-lighting and a modern but uncompromising design, GALEO is truly a keypad for all your coded entry solutions.

The GALEO-W is supplied for connection to online access control systems via a door controller such as our own ATRIUM A22.

### Digicode®
