

# detectortesters

testing technology from No Climb

## EC Declaration of Conformity

Issue date: January 2008

We, No Climb Products Limited  
Edison House  
163 Dixons Hill Road  
Welham Green  
Hertfordshire  
AL9 7JE  
United Kingdom

certify that the following products:

**Testifire® 1000 / 2000 (Multi-Stimulus Detector Tester)**  
**SOLO™ 760 (Battery Baton™)**  
**\*SOLO™ 725 (Universal Fast Charger for Battery Batons)**

conform with the protection requirements of the European Union Council Directive 2004/108/EC and on the approximation of the laws of the Member States relating to Electromagnetic Compatibility, and Directive 2006/95/EC on the approximation of the laws of the Member States relating to electrical equipment designed for use within certain voltage limits (Low Voltage Directive) and CE marking respectively. Compliance has been tested against the following harmonised standards:

EN61326-1:2006	EMC requirements for measurement, control and laboratory use. <ul style="list-style-type: none"><li>• Immunity to Annex A for portable test and measuring equipment:<ul style="list-style-type: none"><li>○ RF immunity to EN61000-4-3:2002</li><li>○ ESD to EN61000-4-2:1995</li></ul></li><li>• Emissions to EN55011:1998 class B</li></ul>
EN61010-1:2001	Designed to comply with the Safety requirements for electrical equipment for measurement control and laboratory use.
*EN61000-3-2:2006	EMC – Electromagnetic compatibility Part 3. Section 2. Limits for harmonic current emissions (equipment input current < 16 A per phase)
*EN61000-3-3:1995 +A1:2001 +A2:2005	EMC – Electromagnetic compatibility Part 3. Section 3. Limits Limitation of voltage fluctuations and flicker in public low-voltage supply systems, for equipment with rated current < 16A per phase and not subject to conditional connection.
*EN61000-6-2:2005	EMC – Electromagnetic compatibility, Generic standards, Immunity standard for industrial environments.
*EN61000-6-4:2007	EMC – Electromagnetic compatibility, Generic standards, Emissions standard for industrial environments.
*EN 60950-1:2006	Information technology equipment, Safety, General requirements.
